The defence industry employment figure for 2002 comes from a discussion paper prepared by the Canadian Defence Industries Association:

"The Future of Canada's Defence Industrial Base", November 2002. The report was accessed in July 2005 at URL https://www.cdia.ca/public/publications_e/dibe.pdf (CDIA requests that users register at URL <https://www.cdia.ca/public/index.asp?action=login.form>)

These national data pages deal with statistics on arms production and employment published by national governments and industry associations.

The SIPRI Arms Transfers project may have additional information on exports. These data can be downloaded at http://www.sipri.org/contents/armstrad/gov_exp_04-05.xls
