

# STOCKHOLM FORUM on Peace and Development 2023

## 2023 Forum on Peace and Development Seeking Solutions for Turbulent Times

This year's Forum aims to tackle a complex reality permeated by interconnected crises. Participants are invited to pose tough questions and develop innovative ways forward for peacebuilding and stabilization around the world, including future reconstruction efforts in Ukraine.

Forum sessions include a combination of policy debates, roundtables, workshops and fireside chats.

We appreciate your *shares* on Facebook, *retweets* on Twitter and *links* to our website or YouTube videos. Content on these platforms will be updated before, during and after the Forum. You will find all the relevant social media information in the column to the right.
