

Annex B. International security cooperation bodies

IAN DAVIS

This annex lists the main international organizations, intergovernmental bodies, treaty-implementing bodies and transfer control regimes whose aims include the promotion of security, stability, peace or arms control. A detailed database describing the organizations and listing their members or participants is available on the SIPRI website <www.sipri.org/databases/security-cooperation-bodies>. The bodies are divided into three categories: those with a global focus or membership (section I), those with a regional focus or membership (section II) and those that aim to control strategic trade (section III).
