

STOCKHOLM INTERNATIONAL  
PEACE RESEARCH INSTITUTE

EMBASSY OF JAPAN IN SWEDEN

On the occasion of the visit of *Mr Kunihiko Miyake* to Sweden, you are cordially invited to a SIPRI event:

## **Resurgent nationalism and populism: how will Japan and Europe chart a way forward?**

With recent political trends throughout Asia and Europe, we find ourselves at the precipice of a world marked by the intersection of nationalism and populism. Widening inequality at the national level is colliding with growing tensions at the international level to generate political and social upheaval.

At the center of these trends, shifts in power dynamics among China, Russia and the United States carry major implications for both Europe and Asia. Against this backdrop, Mr. Kunihiko Miyake, Research Director of the Canon Institute for Global Studies, will explore arenas in which Europe and Japan can benefit from expanded collaboration.

**Monday 26 September 2016, 14.00–15.30 at SIPRI, Signalistgatan 9, Solna**
