*The data in this publication regarding Foreign Military Sales Agreements and Deliveries portrays only sales and deliveries of defense articles and defense services. Sales values will not match official sales values reported at the end of the sales year. Values are adjusted to reflect changes in the program that occur during execution and represent data as of 30 Sep 08. In accordance with Section 29 of the Arms Export Control Act, Foreign Military Construction Sales Agreements and Deliveries are shown separately in tables on pages 12 and 30 of this publication.

The United Arab Emirates will appear more than once with values reported for a certain time period because its country code was changed to another code. We are required to report each country code individually. If you are using this information for analysis or other reporting, our suggestion is to summarize both entries into one.
